NOW, THEREFORE, in consideration of the mutual covenants and undertakings herein contained and the earnest money deposit set forth below and for other good and valuable consideration, the receipt and sufficiency of which are hereby expressly acknowledged and confessed, the parties hereto agree to the following terms and conditions:

B. Buyer and Seller acknowledge that the Property includes 19.59 acres of land more or less. The exact acreage shall be determined by a formal boundary survey to be provided by Buyer, as described in Section 2.F.1. Buyer and Seller agree to adjust the

D. The balance of the partial payment shall be paid at closing.

2. BUYER'S CONDITIONS: The obligation of Buyer to purchase the Property is subject to the satisfaction at or prior to closing of the following conditions:

A. The Buyer must approve all terms and conditions of this contract.

B. The Wake County Board of Commissioners must, prior to closing:

C. Buyer must be able to obtain a zoning designation to its satisfaction to construct and operate educational and related facilities.

D. Buyer must be able to obtain approval from Seller, the Town of Fuquay-Varina, Wake County and/or the North Carolina Department of Transportation to construct a suitable means of ingress and egress from the Property to Bowling Road.

E. Buyer must be able to confirm reasonable availability of municipal water and sewer services to the Property, or acquire approval from the applicable municipal body, Wake County and/or the North Carolina Department of Environment and Natural Resources or such other governmental agencies as are necessary to connect to a suitable sewer system and connect to a suitable water supply system to support a potential public school upon the Property.

F. Within one hundred twenty (120) days from the date the Buyer signs this contract, Buyer must be able to obtain, at its expense, the following:

(1) A survey of the Property acceptable to Buyer prepared by a registered land surveyor and a legal description that conforms to the survey. The

survey shall be prepared pursuant to Section 3 herein at the sole expense of Buyer.

(2) A determination that there will be no adverse effect to the intended use of the Property due to the existence of rock or other unsuitable soil conditions;

(3) An environmental assessment of the Property to determine the existence of conditions that may be governed by Federal, State, or Local Environmental Laws. Buyer shall promptly deliver to Seller a copy of such environmental assessment when the same becomes available, at no expense to Seller. The results of the Buyer's tests and investigations shall not be made available or disclosed to any third party until a copy has been provided to Seller.

(5) An appraisal by a MAI appraiser, acceptable to Buyer, that reflects the value of the Property as equal to or exceeding the purchase price. If the appraised value of the Property does not equal or exceed the purchase price but sufficiently supports the price so as to be acceptable to the Buyer and The Wake County Board of Commissioners for approval of the Contract and funding, this condition will be deemed satisfied.

G. There shall be no restrictions, easements or governmental regulations, other than zoning regulations that would prevent the reasonable use of the Property for public school and administrative purposes.

H. As of the date of Closing, there shall be no Deeds of Trust, liens, leases or other monetary charges against the Property other than liens or charges resulting from the action of Buyer or its agents, contractors, employees or representatives.

Title must be delivered at closing by Special Warranty Deed and must be fee simple marketable title, free of all encumbrances and assessments except *ad valorem* taxes for the current year (prorated as described in Paragraph 6-A), utility easements and unviolated restrictive covenants, neither of which materially affect the value of the Property and such other encumbrances as may be assumed or specifically approved by Buyer. The Property must have legal access to a public right-of-way.

3. FAILURE OF BUYER'S CONDITIONS PRECEDENT: If any of the conditions contained in Section 2 are not met within one hundred eighty (180) days after the Effective Date, Buyer has the option to waive the satisfaction of any unsatisfied conditions and proceed to

In the event Buyer has not delivered written notice of its election to terminate on or before one hundred ninety-five (195) days after the Effective Date, Buyer shall be deemed to have elected to waive the satisfaction of any unsatisfied conditions.

4. **SELLER REPRESENTATIONS AND WARRANTIES:** Seller makes the following representations and warranties to and for the benefit of Buyer which are true as of the date of this Contract and will continue to be true unless written notice of a change is delivered to Buyer prior to Closing. The disclosure of a change in a representation or warranty contained in this Section is a not a breach of this Contract if the disclosed information regarding the change was not known to Seller at the Effective Date provided Seller was not a cause in making the representation or warranty true or inaccurate. Should Buyer receive notice of a material change in the following representations and warranties it may terminate this Contract by delivery of written notice to Seller, in which event the earnest money shall be returned to Buyer and the parties shall have no further rights or obligations except as expressly set forth in this Contract as intended to survive termination. In the event Seller caused the representation or warranty to become untrue or inaccurate, such action may be an event of default by Seller and Buyer shall have the same remedies as if a default occurred under the terms of this Contract pursuant to Section 12:

A. Seller has received no notice that there are any encumbrances or special assessments, either pending or confirmed, for sidewalk, paving, sewer, water, or other improvements on or adjoining the Property. Any encumbrances and assessments resulting from the actions of Buyer or Buyer's agents, employees or other representatives are the responsibility of Buyer and are excluded herefrom.

B. Seller has not entered into any leases or rental agreements with reference to the Property. To the best of Seller's knowledge, neither Seller nor the Property are the subject of any claim, demand, suit, unfiled lien, proceeding or litigation of any kind, pending or outstanding, or to the knowledge of Seller threatened or likely to be made or instituted which would be binding upon the Property or affect or limit Buyer's full use and enjoyment of the Property or which would limit or restrict in any way Seller's right or ability to enter into this Contract and consummate the sale and purchase contemplated herein.

C. To the best of Seller's knowledge Seller has complied with any applicable laws, ordinances, regulations, statutes, rules and regulations affecting the Property and to the best of Seller's knowledge no portion of the Property has been used for the production, storage or disposal of toxic or Hazardous Materials (as defined herein).

D. Seller is not a "foreign person" as defined in the Foreign Investor Reporting and Property Tax Act and shall provide an affidavit at least ten (10) days prior to closing in a form satisfactory to Buyer to such effect.

E. To the best of Seller's knowledge, the Property is not the subject of any active or pending action by the North Carolina Department of Environment, Health and Natural Resources (DEHNR) or its successor agencies, or any federal, state or local agencies under any federal, state or local environment laws or regulations;

F.
