## Exploring Aspirations and Setting the Foundation

- What do we believe are the hopes, aspirations, and dreams that our community has for its students?
- What are the skills and mindsets our children need for success in this rapidly changing, complex, post-COVID world?

## The Path Forward

- Set the context
- What relationship do you feel the Board should have in supporting the development and implementation of the Strategic Plan?

## Next Steps

- Preview and feedback on January 21 retreat topics
- Mission, vision, and values exploration
