

2022 Summer Learning Update

WCPSS Board of Education Work Session

June 7, 2022

Transitioning from Response to Recovery

Desired Outcomes

To provide an update on summer learning programs for Summer 2022, include information on:

- Read to Achieve
- High School Credit Recovery
- CTE Career Accelerator

Read to Achieve

Purpose: To provide an additional education program outside of the instructional calendar as a literacy intervention for students in grades 2 & 3 who demonstrate difficulty with reading development.

Summer 2022 Overview

- 10-12 days of instruction (June-September)
- 290 Teachers, 126 Instructional Assistants, 38 Leads
- 4000+ projected student enrollment
- 61 school sites
- Transportation, breakfast & lunch provided
- YMCA Power Scholars Program (Bugg & Poe Elementary Schools)

High School Credit Recovery Program

Purpose: To provide high school students with an opportunity to recover credits with a goal of staying on track to promotion or graduation.

Summer 2021 in Review

- 3,920 credits earned through credit recovery
- 134 summer graduates

Summer 2022 Overview

- Expanded access by increasing available seats for summer credit recovery.

Career Accelerator Program

Purpose: Provide opportunities for experiences that students may not have experienced during the pandemic.

Programs include:

- Credential Boot Camps
- Career Accelerator
- Builder's Bridge
- Ace Mentor
- District C Teamship
- Red Hat Academy

As of June 1, we have 685 students enrolled to participate in this summer program.
