E49 Bowling Road Elementary School - Vicinity Map

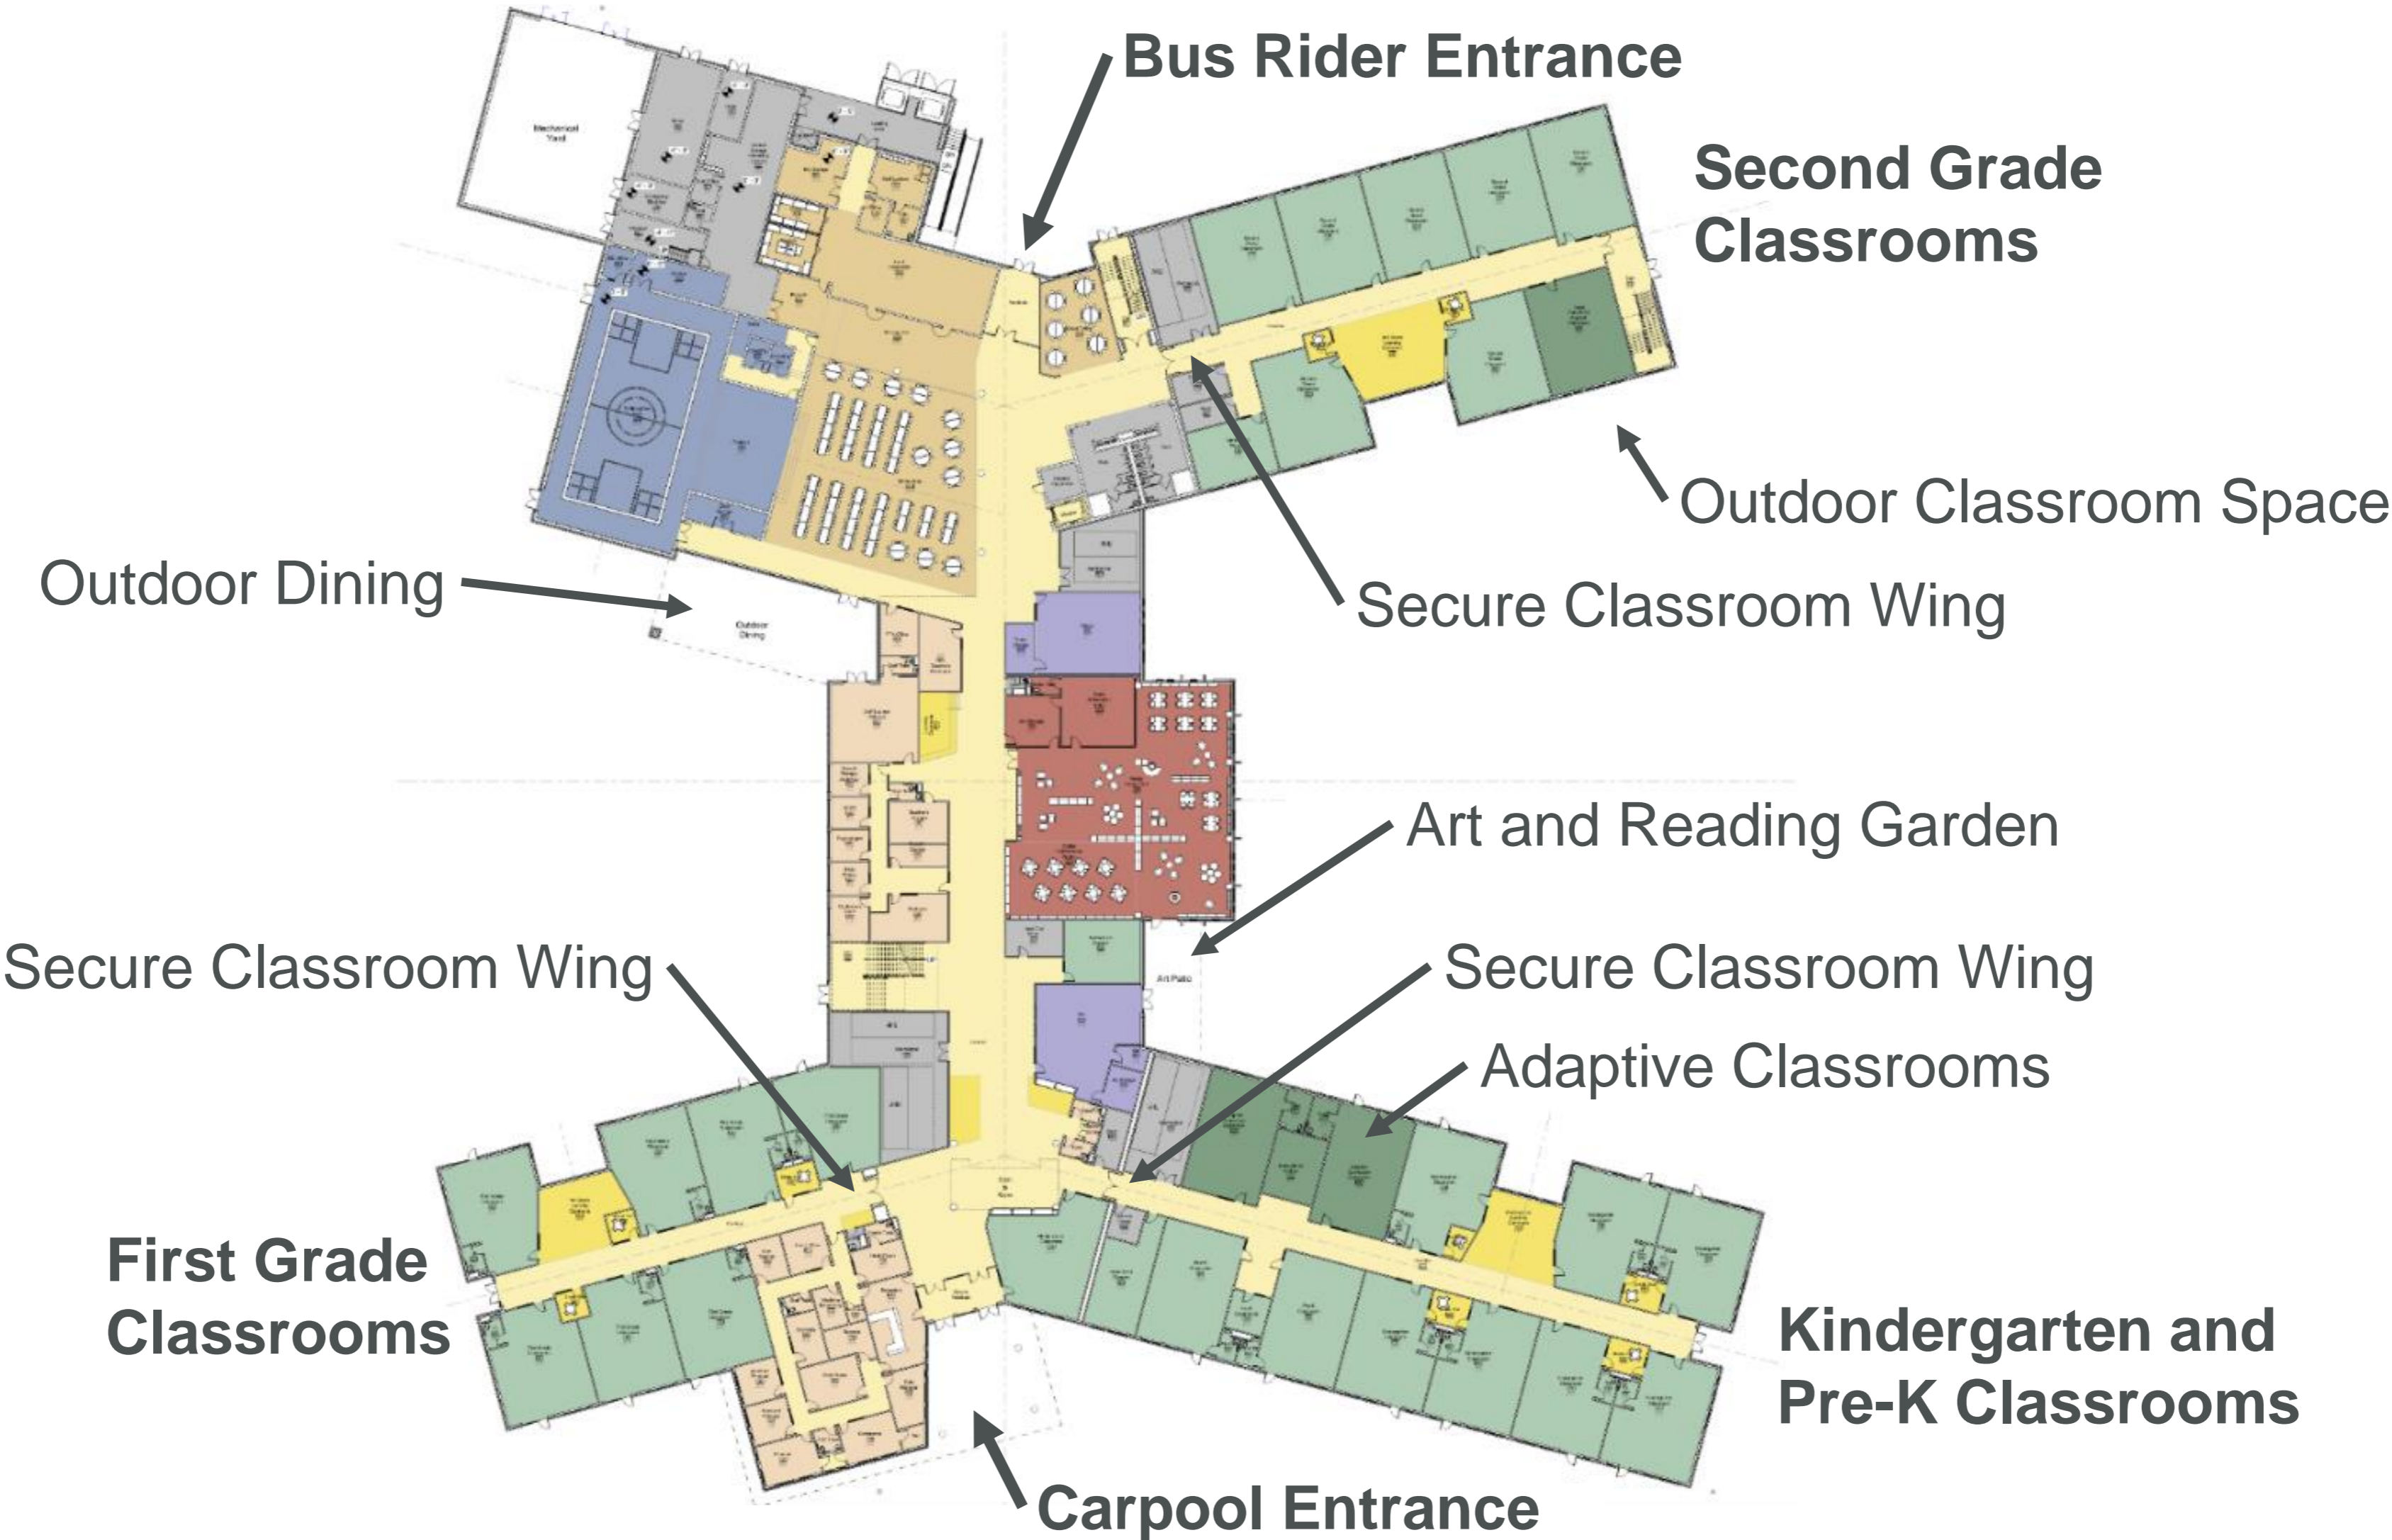

E49 Bowling Road Elementary School – Project Goals

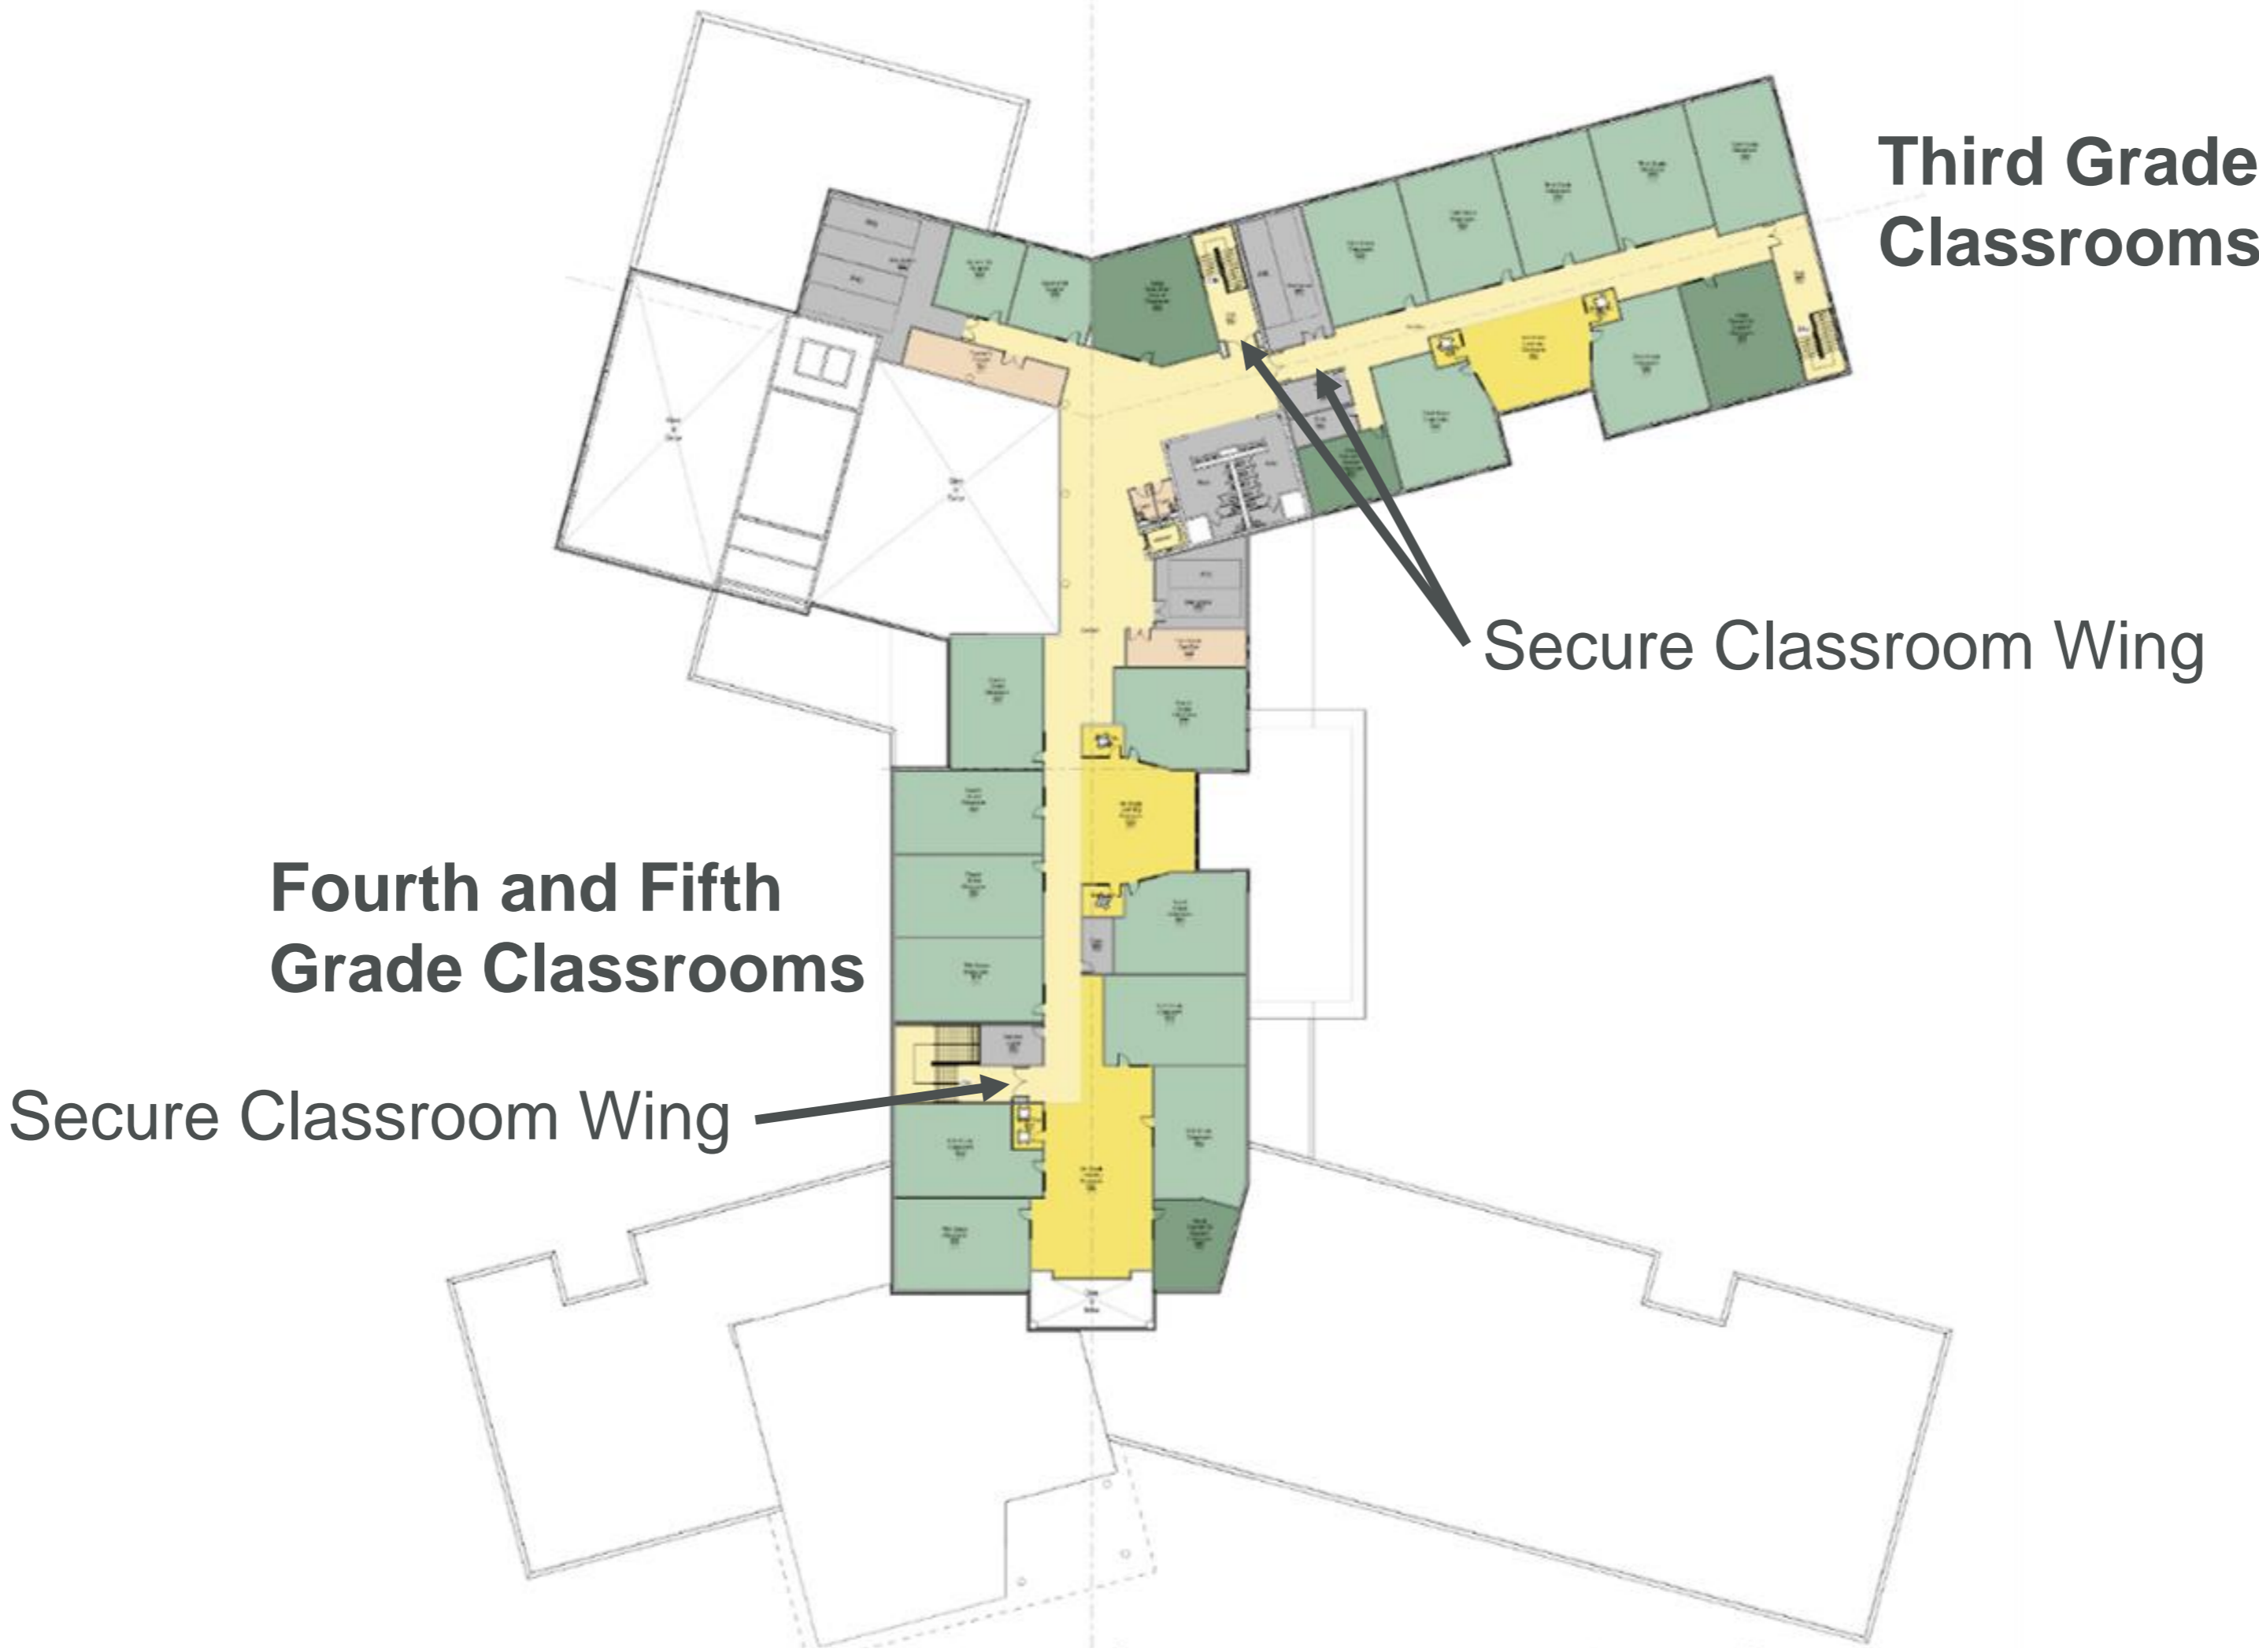

1. Two Story School
2. Entry easily identified facing Bowling Road
3. Concise entry sequence
4. Parking at the front door for visitors and volunteers
5. Contiguous or connected play spaces
6. Good visual connection to the wetlands
7. Bus parking away from the building
8. Service separated from play areas
9. Public space is in the core of the building
10. Easily able to secure classroom wings
11. Avoid retaining walls
12. Maximize the use of the site for exterior educational/ play components
13. Maximize views / opportunities with wetlands from classrooms
