

Driver Education Program Update

Dr. Stacey Wilson-Norman, Chief Academic Advancement Officer

Drew Cook, Assistant Superintendent, Academics

Delynda Ramirez-Carter, Director, Co-Curricular Programs

Devin Tanner, Senior Administrator, Driver's Education

Student Achievement Committee
May 14, 2024

Desired Outcomes

Outline efforts towards reducing enrollment wait times, detailing both current status and **targeted improvements**.

Demonstrate enhancements in support and **communication** within the program, showing their direct benefits on student engagement and overall efficiency.

Present plans for expanding the program, including additional learning opportunities and next steps to illustrate potential growth and impact.

Driving Forward!
