

Morrisville High School and Parkside MS/WECIB

New Plan 'A'

Concept Presentation to Facilities Committee

Dave Burnett, Assistant Superintendent Facilities Design and Construction

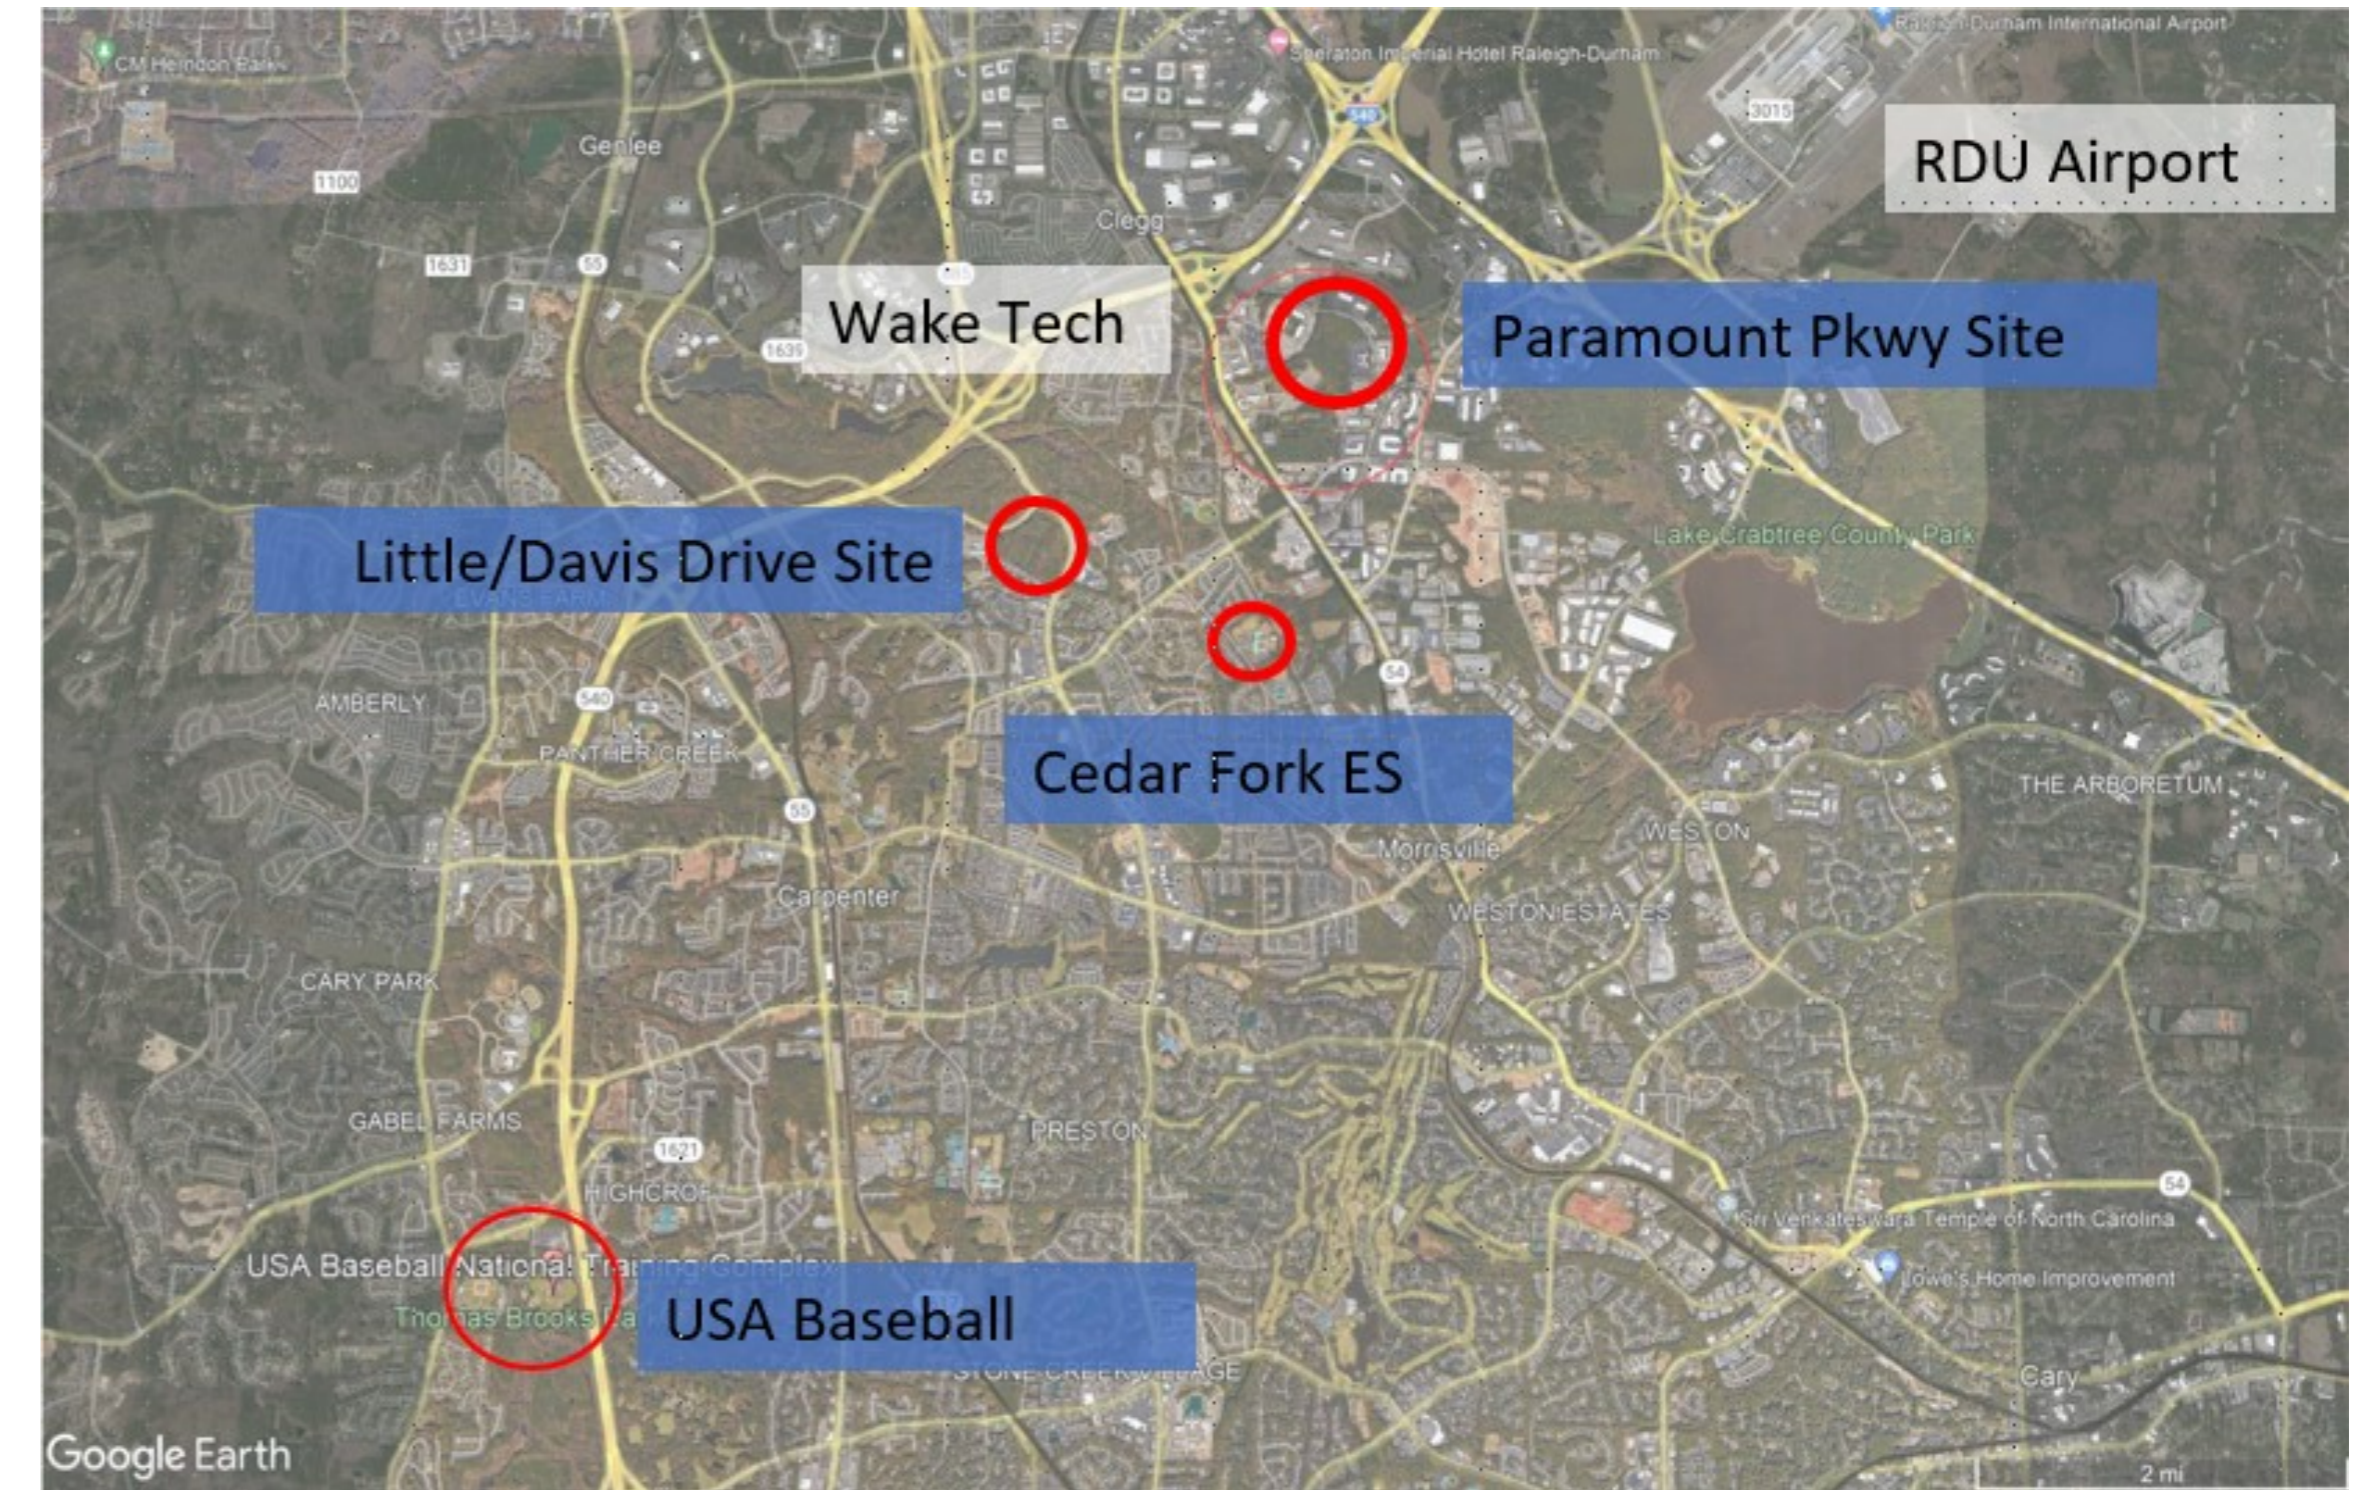

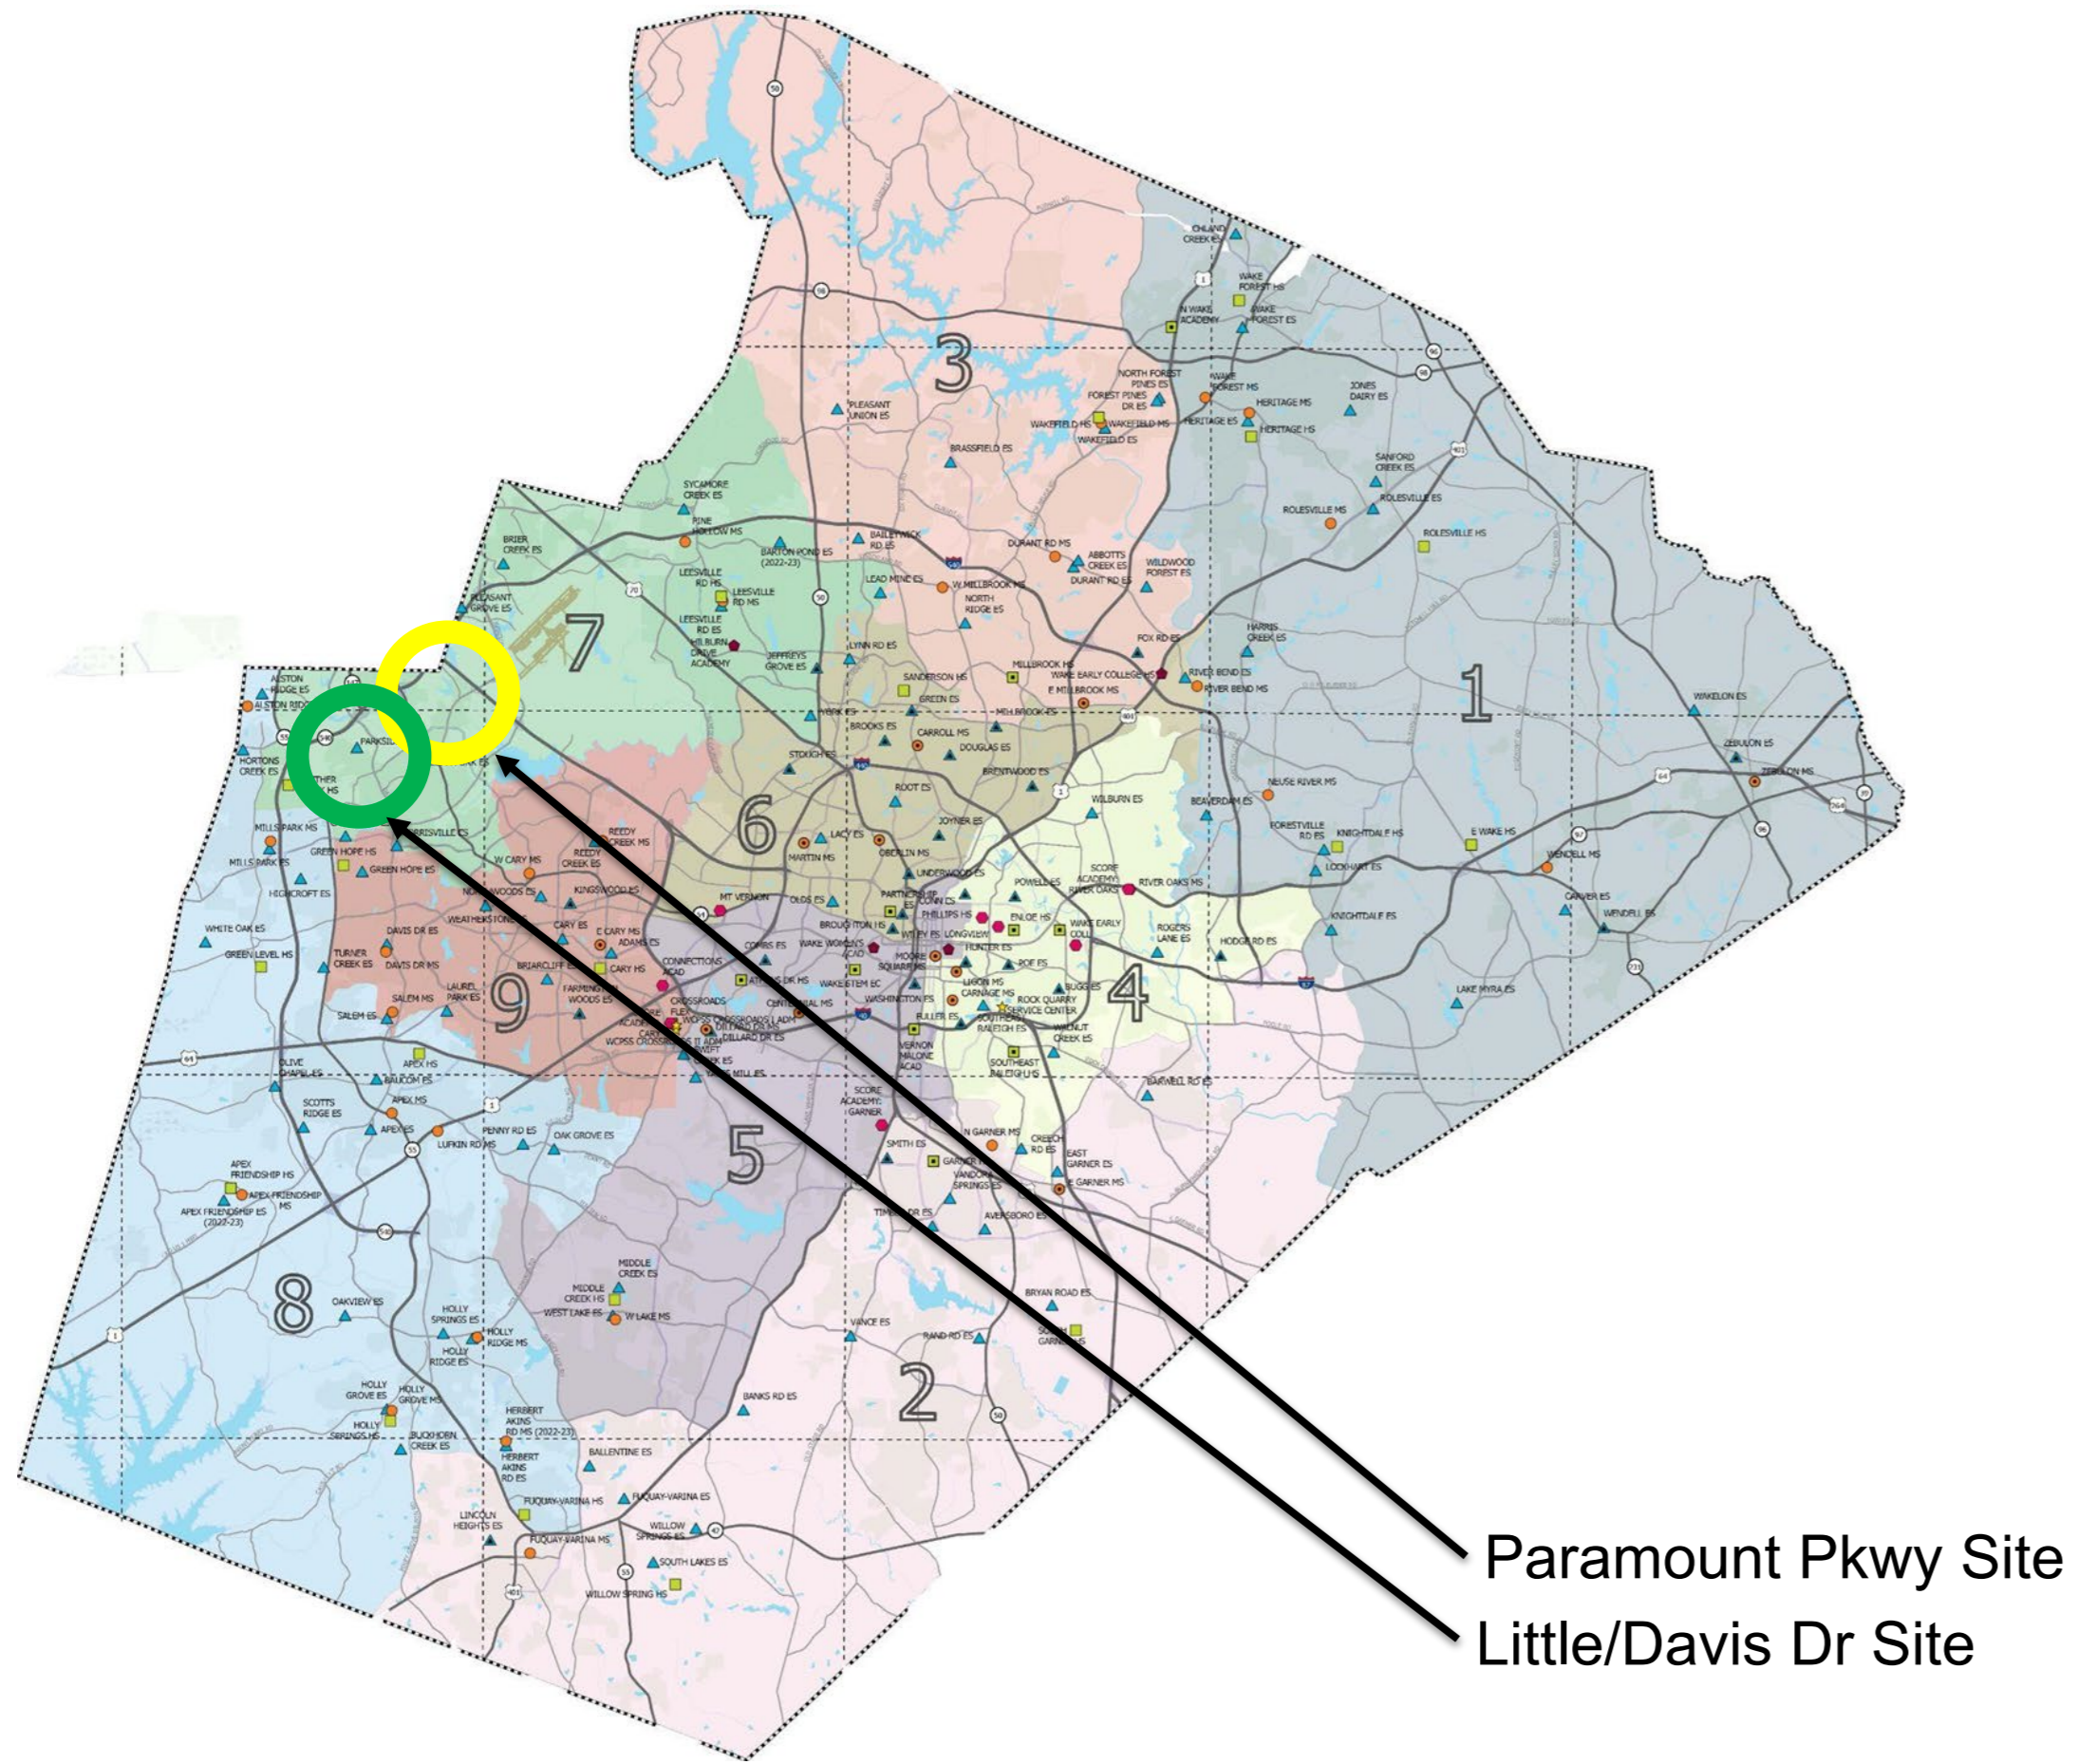

Glenn Carrozza, Assistant Superintendent School Choice Planning and Assignment

Elizabeth Sharpe, Director of Planning, FD+C

Alice Reese, Senior Site Planner, FD+C

June 25, 2024

Morrisville High School, WECIB/Parkside MS Site - Vicinity Map

Morrisville High School, WECIB/Parkside MS

New Plan 'A':

- WECIB HS to move into Little/Davis Dr site November '25 (temporarily)
- Morrisville HS to move into Little/Davis Dr site *as early as* August '26 (permanently)
- Design/Construct stadium changes and parking changes to Little/Davis Dr site
- Design/Construct new WECIB/New MS at Paramount Pkwy site

Morrisville High School, WECIB/Parkside MS

Plan Benefits:

- WECIB HS needs a home ASAP, and permanent home is adjacent to Wake Tech!
- Better accommodates high school capacity needs. Morrisville HS to open 1 to 2 years sooner and can now accommodate more HS students! Was 1,200 students, now 1,800?
- Construction cost/student for Morrisville HS at Davis Dr site are significantly reduced
- Construction cost for new WECIB/New MS at Paramount Pkwy site are still going to be high but we expect a smaller footprint (thus a lower construction cost).
