AWARD OF BID #251-20-147: STAFF MOBILE DEVICE

Department, Board/Staff Liaison(s) and any Presenters from Outside the District

Marlo Gaddis, Chief Technology Officer

Main Points

An RFP was released in August to entertain bids against mobile devices meeting specific configuration requirements. Intent of award is to purchase and distribute approximately 17,000 mobile devices to staff across the district. A total of five proposals were received for consideration. Each was reviewed and discussed by the review committee. Proposed models were also evaluated by district staff. After thorough analysis of all information collected, the committee is recommending the purchase of the Lenovo X1 Yoga.

Fiscal Implications

Total amount of award is estimated at \$16,250,000.00. Funding is planned for and available in the Technology Services device allotment of CIP 2017 bond funds.

Savings

Not applicable.
